

Gonçalo Portfolio

Welcome to my personal website!

This is where I showcase my skills, projects, and a little bit about myself. It is designed to give visitors an insight into my work and help them get to know me better.

About the Project

This website was created entirely by me, from the ground up. I made sure it's responsive and mobile-friendly so that it's easily accessible on all devices.

Features

- **Responsive Design:** The website adapts to any screen size, ensuring a seamless experience on both desktop and mobile devices.
- **Personal Showcase:** Highlights of my skills, experiences, and projects.
- **Interactive:** Includes features like simple animations.

Technologies Used

- HTML
- CSS
